What is Kent PACT?

- Kent PACT is the Parent Carer Forum in Kent for parents and carers of children and young people up to age 25 with disabilities and additional needs.
- Kent PACT is a member of the National Network of Parent Carer Forums (NNPCF) and is recognised by the Department of Education, KCC and KMHCT/CCG as the strategic voice of parent carers within Kent.

What will Kent PACT achieve?

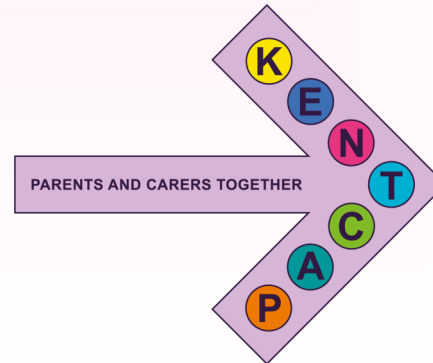

- Enable parents and carers to make their views known at a strategic level while working collaboratively with the Local Authority, Health partners and other organisations to improve the services and outcomes for our children and young people.
- Represent Kent's parents and carers locally and nationally, enabling them to have their views and needs known to service providers and at decision making boards.
- Hold information days, focus groups and workshops. Share news, resources and signpost to other organisations via our website and Facebook page.
- We will feedback to parents and carers on meetings we attend where their views have been raised.

How do I get involved?

We are aware that committing time is sometimes difficult for parent carers so you can be involved as much as you would like or are able to do. There are lots of ways to become involved:

- Become a **Kent PACT Champion** - be the collective voice of your fellow parent carers at meetings
- Become a **Trustee of Kent PACT**
- **Attend Kent PACT meetings** and share your views via surveys and questionnaires
- In each area of Kent, we have appointed **Quadrant Ambassadors** who will be hosting regular events in your area for you to attend.
- Follow our Facebook page **Kent PACT- Parents and Carers Together** for updates and discussion.
