

# LSM CAREERS LEARNING JOURNEY

Interventions to support in KS3

The Journey Starts

- What is a career?
- My skills and interests
- Effective communication
- Interpersonal skills—self-confidence, persistence, open-minded (to change), time management, self-discipline

- STEM career engagement - community link
- EBP virtual platform to research occupations and training requirements
- Team building - how to maximise performance in a team - key aspects
- EBP activity including follow up evaluation and actions
- Aspirations linked to careers
- Visits and follow up discussion and actions

- Personal and social career related preparation e.g., interview-based activities
- Relationship between lifestyle, learning and earning
- Subject options linked to careers
- Careers mentor meeting - future steps
- Mock interviews – internal
- Trips to places of work as face-to-face research

- Personal potential barriers and how to overcome them.
- Mock interviews – external
- EBP virtual platform to research occupations and training requirements
- Guest speakers and follow up
- Trips to places of work as face-to-face research
- CV writing

- Am I ready? Analyse and highlight areas for improvement.
- Work experience – Follow up discussion
- Guest speaker/s and follow up analysis
- Confidence builder
- Exit route interview
- Next steps having fully prepared
